

Building Community

Together, we are stronger.

Kerri and Caleb moved into their home in 2016.

Now more than ever we know the importance of a safe home, good neighbours and strong community... and **we value the work of Rotarians as community builders** and good neighbours in our region. Together, we are stronger.

Habitat is proud to be named as official partners by Rotary International and looks forward to continuing to build our relationship. **Together, we make a difference for families** by helping them realize their dream of a safe and decent place to live.

Rotary Clubs have contributed thousands of volunteer hours and over \$1,100,000.00 in donations to Habitat for Humanity Edmonton over the past three decades. Together, we have helped 740 families acquire the stability of affordable home ownership. Let's build our capacity, strengthen our resolve, and grow our communities together.

We look forward to many more years of partnership with Rotarians!

You can be the difference for families hoping to start their journey to affordable home ownership. Please let us know when we might be able to share additional information about how you can change the lives of local children and families. Initiatives such as Women Build, Adopt-a-Day, and build sponsorships give our partners a wide variety of options for engagement. **We look forward to hearing about how your club would like to be involved next.**

Thank you District 5370 Rotary Clubs!

How you can support Habitat

Habitat for Humanity Edmonton celebrates our partnership with the Community Builders of Rotary District 5370.

Over the past three decades, 22 clubs in Rotary District 5370 have given of their time, energy, and resources to working with Habitat for Humanity Edmonton to help families achieve strength, stability, and independence through affordable home ownership.

Thousands of volunteer hours have been donated by Rotary District 5370 through your work on Construction sites, Women Build days and PreFab group build days. As well, Rotary District 5370 has donated over \$1,100,000! This includes largest the single donation in our history, in the amount of \$980,000 from the Rotary Club of Grande Prairie in 2019! Wow!

Now more than ever, a safe home is vital. There is a great need in our communities for affordable home ownership.

**We are so grateful for our
Rotary partners.
Thank you!**
